## PAWPRINTS

Westglen will engage every student in meaningful learning by challenging, encouraging and believing in them in a middle school setting

### PRINCIPAL'S MESSAGE

We were pleased to have the opportunity to meet with so many of you during our first virtual Parent Teacher Conferences. There seems to be a significant portion of families who enjoyed the convenience of this format. It is always time well spent when we can talk together so that we can work towards our common goal: your child's success. Our hope was that by having conferences earlier in the school year, we could address issues your child may be having so that we can work together to address them sooner rather than later. Please build a habit of checking PowerSchool with your child on a weekly basis and ask questions when you would like more information. We encourage you to contact us anytime to discuss your child's learning - emails are the most expedient manner of reaching a teacher but you can also call the office to arrange a mutually convenient meeting time. Often I hear, "I didn't want to bother the teacher," from parents but please don't ever feel that way as the teachers are eager to work with you!

# ENSURING OUR STUDENTS ACHIEVE

## *A MESSAGE FROM THE SUPERINTENDENT*

Chinook's Edge is committed to ensuring student success, which has long been reflected in our division's provincial achievement measures. This is a time of year when our Board receives information on Diploma Exam and Provincial Achievement Test results from last spring. As a result of the spring's disruption and the cancellation of provincial testing, the 2020 data is not available to exemplify the achievements of our students. Fortunately for Chinook's Edge, we have other longstanding methods for informing success, which show the achievement of our students.

Our expectations are high for the quality learning we expect for every child in our division, and that will never change. The data we are gathering in literacy, math and other measures is clarifying a deeper understanding of student achievement, as well as where we want to move forward as a division. We have built common assessments to ensure we have an accurate measure of the progress of teaching and learning in all of our schools. As always, Chinook's Edge will file an Annual Education Results Report with Alberta Education next month, and each school will provide a detailed Education Plan to our Board of Trustees. Moving forward, to remain responsive, transparent and robust as a school division, Chinook's Edge is moving to the Provincial Assurance Model of Assessment. For an introduction of this model, please [click here](#).

Our divisional goals remain consistent: Literacy, Academic Excellence, Career Connections, and Social Emotional Learning. We have many measures pointing to continued success in each of these and they are prompting us confidently and resolutely onward. We know our efforts help lead our students toward greater success, in learning and in life.

As always, we are pleased to provide the latest Board eNews through this [link](#).

## *DON'T FORGET YOUR MASK!*

Please be sure to send your child to school with a clean, reusable mask. We have been giving out a large number of disposable mask each day which becomes costly for our school division.

Thank you

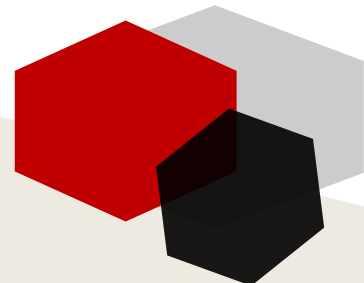

## *2019-20 YEARBOOKS*

Our 2019-20 yearbooks should be arriving in December. If you ordered and paid for one with last year's school fees, you can expect your child to receive it then. Thanks for your patience!

*Your Trustee, Gord Kerr, is always available and happy to hear from you. Visit the Board section of our division website at [www.cesd73.ca](http://www.cesd73.ca) for his contact information.*

*Superintendent, Kurt Sacher, can be contacted directly from the Board section as well.*

As part of our Remembrance Day service on November 10th, we include a PowerPoint that acknowledges the contributions made to our country by the family members of our students and staff. To include your relative, please send a picture, and include the name of the person, time of service, and their relation to a student(s) at Westglen. Eg. Doug Bird, Calgary Tank Corps, WWII, Grandfather of Mrs. Massel. It would be preferred that the picture be taken at the time that they were serving. **Please email the picture to Mrs. Shields, [jshields@cesd73.ca](mailto:jshields@cesd73.ca) by Thursday, November 5th.** If you submitted pictures last year, there is no need to re-submit them.

## STUDENT DROP-OFF

Safety is always a priority at our school. We would like to ask parents to only drop students off in the "loop" that is created by coming in the one-way, dropping off near the garbage dumpsters, and then exiting out the one-way street, eastbound. Please DO NOT use the parking lot on the east side because this has presented several dangerous situations lately.
