and believing in them in a middle school setting

Dear parents,

This week your child's report card will be available for viewing on the PowerSchool Parent Portal. If you need help accessing your account, please call the school and we can walk you through it. There is also a three minute tutorial on our website that is easy to follow. Rather than the general, overall comment that was on traditional report cards, you will now be able to find more specific information on your child's assignments themselves. You can find this specific information by clicking on the speech bubble accompanying the assignment. As always, if you have any questions, please contact your child's teacher for more information.

Our school store is starting up again on December 1st! We have adhered to all of the required safety protocols and will be offering an assortment of healthier snacks for students. We will not be serving meals this year. We could not run this program without several volunteers that are donating their time to supervise the Grade 8 Store Helpers who are also giving of their time.

Social media is such a tricky topic for all of us. We will be hosting "lo(e) Social Media" at Westglen on Thursday, December 2nd. Their virtual presentation will deal with using social media responsibly. Please talk with your child about what they learned during the presentation and continue the conversation with them at home.

# COMPASSIONATE AND INNOVATIVE GLOBAL CITIZENS

#### A MESSAGE FROM THE SUPERINTENDENT

Chinook's Edge students, staff and families continue to show incredibly strong and courageous examples of good citizenship. Our schools are filled with people who are achieving success despite competing priorities, who are reaching out with acts of kindness, and who are investing their time and resources to make this holiday season a special one for their neighbours.

In Chinook's Edge, we believe citizenship involves the character of an individual and their respect for the greater societal good. Our division is filled with compassionate and innovative global citizens, just as it is outlined in our vision statement. We take good care of one another in Chinook's Edge, as we look beyond our current global challenges with a sense of unity and resolve.

Our Board of Trustees and Central Office team are incredibly grateful for the hard work and perseverance that is ever-present in our schools. We wish everyone a safe and happy holiday season.
